A 1996 graduate of Susquehanna University and a 1992 graduate of Notre Dame High School, Green Pond, Colleen reached out to make a difference in the lives of others. She was a great motivator, who cared deeply about her family and friends, and lives in the memory of the people who knew her.

Her family, her Kappa Delta sorority sisters and other SU friends, her hometown community in Easton, PA, her Manhattan friends, her Wall Street and other business colleagues, her high school and SU cross country and track teammates, those she met while studying in Aix en Provence. All are forever blessed for having known her and experienced her warmth.

Colleen understood the importance of creating her own opportunities and welcomed her challenges. She and her colleagues shared a camaraderie on their trading desk in the World Trade Center's South Tower. Colleen was among friends on September 11, 2001.
